

## TROLLEY LEAGUE ALL-STARS DEFEATED

The Monett Midgits Slaughter the Picked League at Lakeside Park

The Midgits were victorious in the game Sunday at Lakeside Park in their contest with an all-star nine picked from the players holding the highest average in the Trolley League of the Joplin District. Our boys run up against a hard bunch of players and a longwinded conglomeration of fans but with their superb playing and the fine work of the battery they cleaned up the field. The Monett boys are the best amateurs in the state, they having but lost but one game to other than league teams during the season, and that was a picked nine from Ft. Scott, Kan.

Following is the score:

### TAKE NOTICE!

Whereas, my husband, George Rosengrant, son of the late John Rosengrant and Maria Rosengrant, formerly of Forkston Township, has left the house rented by me, and for which I paid the rent, and has left my board and taken his bedstead along with him and sold it, this is to warn all persons not to harbor or to trust him on my account, from this date, as I will pay no bills of his contracting. I shall continue to pay my rent and to keep up my table in the usual form in his absence, and having one less to feed, I will be pardoned, I think, if I say in better style than formerly. There is a hard winter creeping along and he may incite your sympathies to trust him on my account, seeing that I am doing very well, thank you, but you just keep in mind that you have received this warning and govern yourself accordingly.

### NEAR DEATH WHEN TRAIN STRIKES BUGGY

Cassville, Mo., Sept. 10.—Mrs. J. M. Davidson and daughter, Mrs. E. H. Phillips, of this city narrowly escaped death today under a Frisco freight train at Exeter. They were driving across the railroad between an opening made at the crossing when the trainmen started to couple the train.

The cars struck the rear end of the buggy and demolished it, but only caught one foot of Mrs. Davidson, which was badly injured.

Sixteen years ago A. G. Walker, who purchased the Hobbs & Hessee stock of groceries, started for Monett but got sidetracked at Cassville. He says that he is now at the end of his journey and expects to make Monett his home in the future.

## MONETT TAKES ANOTHER GAME FROM TROLLEY LEAGUE

The All-Stars Not in the Same Class with the Midgits

The Midgits played their second game with the All-Star picked nine of the Joplin Circuit trolley league at Carthage Monday, and although the All-Stars had strengthened their aggregation over that of Sunday, the Monett boys had a walk-a-way. This is how they done them up.

### NOTES

Well: Long won his game. At Lakeside a short time ago Long was called to pitch a game for Carthage, Joplin Trolley League team and lost, due to poor support. When the Midgits backed him against the same bunch, he let them have but four hits and no runs. Long was the best pleased Midgit at Lakeside.

The Midgits pulled off a number of special plays. Delay for rest of pitcher; two fine double plays; good fielding and fast base running; also trick work, costing the All-Stars the game.

Now what do you think about that? Mr. Lenhart also says that crops there are not nearly so good as they are around Aurora. In fact the finest crops of all kinds that he had seen in the trip were those growing in Lawrence county.—Aurora Argus.
